EXTERNAL JOB OPENING

Position: Food Service Aide

Position Number: FS-6-2021-X10

Status: Casual - Rotation: Day/Evening/Week-days & Week-ends

Date Posted: September 27, 2021

Deadline: Open

Job Summary:

The Food Service Aide (FSA) has an integral role within the dietary department that effectively delivers a pleasurable dining experience to all residents within the home regardless of diet type or texture assigned and works within an interdisciplinary team model. As a member of the Food Services Department and the team on the floors, the FSA contributes to the resident care services and programs incorporating principles of resident focused care & continuous quality improvement. The FSA complies with all Provincial/Long Term Care and Local regulations and established Food Services departmental Policies and Procedures.

Key Responsibilities:

Production:

- Assists in the preparation of food to meet the production requirements for the residents

Menu Planning:

- Provides input as to the residents acceptance of menu items by monitoring and reporting resident feedback and auditing food waste.

Quality Control:

- Contributes to improved quality of resident care by applying consistent standards to work routines and by seeking out improved methods for resident satisfaction.

Meal Delivery and Service:

- Sets tables in the dining rooms, plates food to residents in the serveries according to the Ministry of Health and Long Term Care Guidelines
- Collects and returns used dishes to clean up area, washes and puts away cleaned utensils and equipment
- Cleans and sanitizes food services equipment according to Ministry of Health and Long Term Care and Toronto Public Health Standards
- Maintains the serveries, kitchen and dishwashing room clean and assists in catering functions as required.

Qualifications:

- Completion of the Food Service Worker Program is required
- Completion of the Toronto Public Health Department Food Handling Safety Program is required
- Up to 1 year previous experience in a Long-Term Care or Hospital dietary department
- Ability to work in an interdisciplinary team-based environment is required.
