EXTERNAL JOB POSTING

Position: Personal Support Worker **Position Number: Nur-3-2021-x10**
Status: Casual - Day, Evening & Night Shift
Date Posted: September 27, 2021 **Deadline: Open**

Job Summary:

Provides direct personal and nursing care to residents under the direction and supervision of registered staff promoting the safety and comfort of all the residents in the Home. All duties are performed with consideration to the needs, care, and satisfaction of the residents.

Key Responsibilities:

- Provides care for the individual needs of the assigned residents in accordance with the residents' care plans striving to maintain the residents' optimal level of function physically, emotionally, socially, culturally, intellectually and spiritually.
- Provides support and assistance to the residents in activities of daily living, comfort, mobility, ambulation, positioning, elimination, treatments, care routines, rest and sleep as per residents' individual plan of care
- Participates in the development of quality resident care services and programs incorporating principles of resident focused care and continuous quality improvement (including work on committees)
- Participates in the ongoing monitoring of quality care delivery by assisting in the nursing process, observing and reporting changes in the residents' physical and emotional condition, and documenting accurately on daily records reflecting each resident's condition, care and specific needs
- Communicates ideas, concerns and observations to registered staff to support enhancement of teamwork, promoting quality care.
- Participates in the planning of nursing care through staff meetings, interdisciplinary conferences, shift exchange reports and committee involvement
- Keeps current on best practices through technical journals, workshops, seminars and networking

Qualifications:

- PSW certificate from a recognized educational institution.
- 1-2 years of clinical experience working with the elderly or chronic care residents in a health care facility.
- Highly effective interpersonal, problem solving, conflict resolution, and critical thinking skills.
